25X1 12. [] Received calls from John Lehman, of the
White House staff, and Mr. Joe Wolf, Department of State, about arrangements
25X1A that are being made for State, Defense, and CIA to review the transcript of
the secret Senate session on Laos of 7 June 1971 to sanitize the transcript for
publication. Later in the day Mr. [] C/FE, and I attended a
25X1A meeting of representatives of the three agencies concerned. []
[] and a representative of DOD are to read the transcript on the Hill Monday
morning to determine the magnitude of this review.
